

**The global pandemic is an extraordinary event.**

**We here at Campbell's Scottish Highlands are committed to the safety of our staff and guests.**

*We will do all we can to keep everyone safe and prevent the spread of covid-19, the coronavirus.* Some of the measures may seem extreme and be inconvenient, but they are designed with our collective safety in mind. We truly hope that in addition to being effective, these changes make you feel more at ease and able to enjoy your visit to the course.

Golf World and Golf.com have articles related to how being out on the golf course is not only a safe activity to do during this unprecedented time, but with sensible modifications can be a **beneficial activity** to help us cope with the daily stress the pandemic is causing all of us.

There will be many changes but we are optimistic most will be temporary.

**These changes include but are not limited to:**

- The **Bar & Grill, Patio and Driving Range** will remain closed.
- **Hours of Operation** will be Modified
- **Online Booking will be available** (please be aware that Pricing shown on the Booking Engine may not reflect what we can offer at this time due to restrictions with Food Service.)
- We will do our best to provide limited types of **canned beverages and pre-packaged snacks** as long as we can obtain the products and **continue to sell them in a safe manner.**
- There will be **No ATM** use in the Clubhouse. Effective 3/23/20 – **Credit Cards ONLY – NO CASH!**
- There will be **No Ice & Water machine Use** in the Clubhouse.
- There will be **No Posting of Scores at the Computer in the Clubhouse.**
- There will be **No Access to the Locker Rooms.**
- Although the Clubhouse Lobby, Proshop and Restrooms will be open, **access to the clubhouse will be restricted to one person at a time.**

**On the course you will notice:**

- **No Ball Washers or Sand Trap Rakes.**
- We are asking you to **leave the Flag Stick in the hole** (We'll post reminders of this)
- We encourage couples or guests living in the same household to share a cart but will allow, based on availability, **individual cart use.**
- We will do our best to **sanitize the carts** between uses, but we are struggling with the same shortages of supplies as you may be.
- We will have an **outdoor handwashing station** and add an **additional chemical toilet in the parking lot.**
- We strongly urge our visitors to take personal care.
- **Utilize personal distancing, do not handle other players clubs or golf balls, tap clubs or shoes at the end of the round rather than the customary hand shake. Wash hands frequently, use sanitizer often.** We are trying our best to provide hand sanitizer but may not have any at times so visitors may have to bring their own.

*And finally, if you are not feeling well, have recently visited a foreign country, have tested positive for the virus or live with someone who has or is showing symptoms, **STAY HOME.***

We believe golfing, with proper precautions, represents a safe, enjoyable and beneficial activity in these difficult times. Thank you, and wishing you all best outcomes.

### On a Lighter Note

In your group, you can institute, inside a putter (3 feet) length gimmie rule!  
Your score may be even better!
