

Dear Golfers,

We are happy to see you here at Campbell's Scottish Highlands Golf Course. It has been a challenging year for all of us due to continuous changes to COVID-19 Guidelines. We will do our best to keep you informed of new developments that may affect your event in which you are participating.

We have developed the following information as **Guidance for Golfers in Tournaments**. We are fortunate that at this point in time, *we're able to return to more normal tournament operations*, based on information provided by the CDC, New Hampshire HHS, and the NH state government. The spread of Covid-19 and hospitalizations have been declining throughout the state of NH and vaccination rates have increased. Our goal is to provide a safe environment for all tournament golfers, tournament volunteers and CSHGC Staff.
